P.O. Box 729, Suckley, Worcester WR6 5WQ info@bromyard-folk-festival.org.uk Tel. 07772 831 860

Thank you for choosing Bromyard Folk Festival. We hope you have a very enjoyable time with us over the weekend.

Wristbands

Your weekend wristband pass is issued to individuals and is NOT transferable. Please wear it AT ALL TIMES for the duration of the festival in order to gain access to the venues. While we make every effort to size the venues to accommodate anticipated demand, unfortunately, we cannot guarantee admission into specific venues once the fire limit is reached.

Stewards

Stewards are at the festival to help everyone, please follow their instructions. Everyone who helps with the Festival is a volunteer, so please give them your support.

Traffic control

The site speed limit is a maximum of 5 mph. We operate a one-way traffic system for the weekend, please drive carefully and follow direction signs. Vehicles CANNOT be parked anywhere other than at your camping pitch or in the designated parking areas (marked P on plan). All vehicle parking is provided at your own risk and the festival organisers accept no liability for loss or damage to your vehicle.

The centre of town is only a short distance away and most of the events are on the festival fields so please leave your vehicle parked up. In the event of inclement weather all vehicle movements back onto the Festival site will be stopped.

Camping

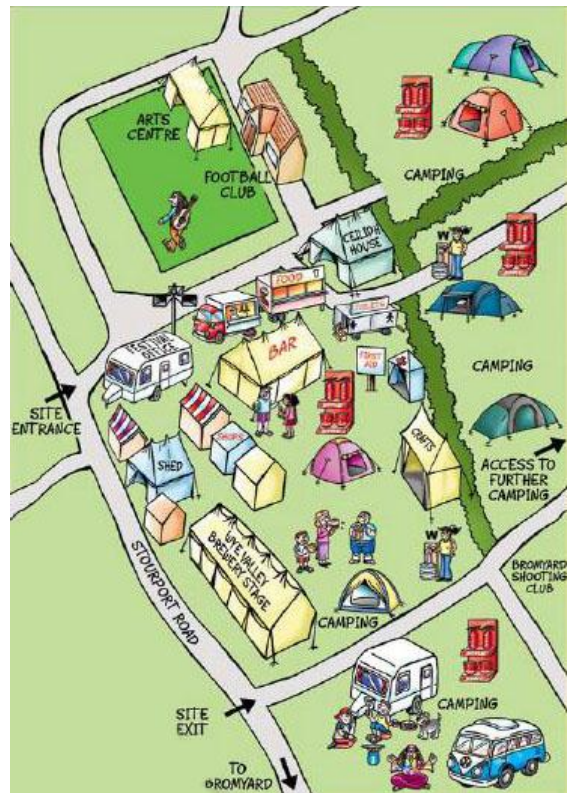

Camping is available to weekend pass holders with the appropriate camping pass only, you will be able to enter the festival with your wristband, you will not be able to enter venues or get served at the bar without having your wristband. Please camp sensibly leaving reasonable space between you and your neighbours and ensure the ROADWAYS are not blocked to emergency vehicles. NOTE CAREFULLY – there is river with a steep bank at the western (nearest town) boundary of the site, be careful when manoeuvring caravans in this area. There is also a deep ditch by the bridge into the main camping fields, parents are advised to keep a close eye on children near these hazards.

Caravans

Caravans must be parked at 90° to roadways (not parallel to them) and with a car's width between adjacent caravans.

AS A PRECAUTIONARY MEASURE IN CASE OF FIRE PLEASE KEEP A SUITABLE CONTAINER OF WATER OUTSIDE YOUR TENT OR CARAVAN. Please familiarise yourself with the position of fire points denoted with an extinguisher symbol on the site plan. OPEN FIRES AND FIREWORKS ARE NOT PERMITTED ON SITE.

DOGS: REMEMBER THESE ARE WELCOME ON SITE BUT NOT IN ANY OF THE VENUES

On arrival you will be presented with a bag for your rubbish; please deposit it in the skip by either gate on your departure.

Please remember all festival venues are non-smoking areas.
